

University of Oregon

2-, 3-, and 4-Year Retention and 4-, 5-, and 6-Year Graduation Rates

for Students of Color by NEW* Race/Ethnicity

First-Time, Full-Time Freshmen* Cohorts 2004 through 2014

NEW Race/Ethnicity Categories--Federal changes in the method for defining the Hispanic category and the resulting subsequent changes to other reporting categories were mandated as of the 2010 cohort; earlier cohorts were recoded to match the NEW race/ethnicity categories to the extent possible. Because of this alignment, years prior to 2010 may not match other reporting that does not make the same adjustment.

*Freshmen from high school enrolled in at least 12 credit hours at the end of the 4th week of their first Fall term.

Black or African American

Cohort Year	Return Fall 2nd Year	Return Fall 3rd Year	Return Fall 4th Year	Graduated within 4 Years	Graduated within 5 Years	Graduated within 6 Years
2004	80.8%	65.4%	57.7%	30.8%	46.2%	51.9%
2005	88.5%	75.4%	65.6%	23.0%	52.5%	57.4%

2013	81.2%	75.3%				
2014	88.0%					

When one looks at retention and graduation rates for students of color, it is important to remember that most cohorts contain very small numbers, and small changes in those numbers can look like large changes in rates.

Graduation % by Year -- Black or African American

Note: Sums of year percents may not equal overall totals due to rounding.

When one looks at retention and graduation rates for students of color, it is important to remember that most cohorts contain very small numbers, and small changes in those numbers can look like large changes in rates.

Note: Yearly rates can change from previous years' reports due to data corrections and the impact of small Ns.
