

Division of Equity and Inclusion

SHOWCASE OREGON

ACTIVATING

THE IDEAL FRAMEWORK

University Advancement and Inclusion Initiatives

Going Well:

Participation from all levels of the advancement community

Project Description:

The combines presentations by campus experts with employee discussion on current diversity and inclusion issues on campus topics have included the representation of students of color at O-bloc face women in science privilege transgender issues Dreamers DACA on campus

Challenge:

finding connecting with the right people who have both the expertise and the time to present

Lesson Learned:

There is a real desire among members of our community to learn about and be more engaged with diversity and inclusion issues this is even more evident when leadership demonstrates their own buy-in
