SHOWCASE OREGON

ACTIVATING

THE IDEAL FRAMEWORK

se m of at ral and C lt ral istor C tatewide d cational O treach

Going Well:

o date the program has ser ed 1 000 indi id als and 31 of 3 Oregon co nties

Project Description:

he program tra els to classrooms and p blic libraries pro iding high- alit and low-cost science ed cation e periences aro nd the state with emphasis on r ral comm nities with limited access to m se ms and informal learning e periences

Challenge:

Demand for the program has e ceeded capacit boo ing o t for the first ear in a matter of wee s

Lesson Learned:

he impact is greatest when we prioritie partnerships along the wa wor ing closel with ed cators and librarians to c stomize lessons to local needs and interests
