Services for Student Athletes "BRIDGING IDEAL"

Going Well:
Increased engagement with student-athletes supporting one another through the BEOREGON initiatives.

Challenge:
Time is a challenge when deciding which initiatives to include during summer bridge/orientation.

Project Description:
In summer 2017, BEOREGON initiative was introduced to new student-athletes as part of the summer bridge orientation. BEOREGON is described as a call to action for all Ducks to be their most authentic selves. Introduction included: video testimonials, speakers, and self-defining BEOREGON individually.

Lesson Learned:
We have learned that creating expectations at the onset of one's experience creates a norm and sets a solid foundation to build upon regarding diversity, inclusion, and being one's authentic self.
